For full details of the certified range of products and any restrictions, please visit the NSF TMV section of the official NSF listings at nsf.org
Products appearing in the NSF official listing for the TMV3 Scheme are authorised to bear the NSF Mark on the left below.
Please refer to the NSF TMV Certification Policies for mark usage requirements.

Simon Warburton, Certification Manager

Certificate Number: 2312706
Issue Date: 20th December 2023
Expiry Date: 19th December 2028

0110

This certificate is the property of NSF and must be returned upon request. This certificate remains valid as long as the above referenced thermostatic mixing valves are listed in the NSF official listing for the referenced standard. For the most current and complete listing information, please access NSF's website (www.nsf.org).
